| OPERATING CONDITIONS   | Ambient Temperature: 10 — 30°C Voltage  | Range: Rated Voltage ±6 |  |  |  |  |  |  |  |  |
| *We reserve the right to make changes in specifications and design without prior notice. |   |                         |  |  |  |  |  |  |  |  |

 Install the product properly in accordance with the instructions on location, water supply/drain connections and electrical connections stated in the instruction manual provided. Allow 10mm extra space at the installation site to meet any installation requirements (additional spacing is also required for proper air flow and pipe connections).
