COMPACT F 220 LG 2W	128 ltr	77 ltr	230 V, 50 Hz	144 Watt	B	31.3	889 kWh	166 Watt	4	38.5 dB(A)	50 mm (cyclopentane)

SERIES: COMPACT
ITEM NO.: 962220461

Temperature range
-22°/-5°C

COMPACT F 220 models not only comply with the EU Ecodesign labelling regulation, but ranking in energy efficiency class B makes these freezers the most energy efficient compact models in the marketplace.

Correct and uniform temperature throughout the cabinet is critically important for a food storage cabinet. GRAM COMPACT provides this with a unique ventilated air distribution system and a robust refrigeration system with sufficient refrigeration capacity.

COMPACT F 220 is approved to endure up to 30°C ambient temperature (Climate class 4).

COMPACT 220 models are designed to fit under worktops in commercial workplaces. With their width of 59.5cm, depth of 64.2cm and height of just 83cm, these cabinets are ideal for building in beneath worktops. As a free-standing cabinet the undercounter COMPACT 220 provides extra work space with its "table top".

Materials Exterior: White

Materials Interior: White polystyrene (PS) lining.

Gross volume: 128 ltr

- Air circulation system
- Right hand hinged reversible door
- Integrated full height door handle.
- 2 anti tilt white shelves
- Door lock for extra security
- Automatic defrost with re-evaporation of defrost water
- Low sound level of just 38.5 dB(A)
- Hydrocarbon refrigeration
- 10 year spare parts availability guaranteed

Refrigerant / GWP:
R 600a / 3 - (0.029kg/CO2 eq 0.09kg)
